embroidery made simple: now even more powerful!

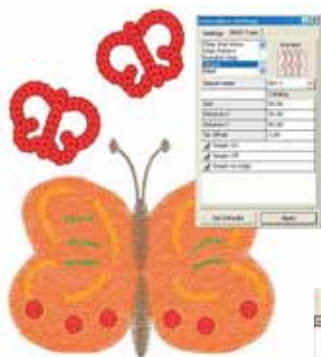

## Name Drop

Add a list of names to sew with a logo.  
A different name will sew for each garment.

## Unbeatable Functionality

Whether you are moving up and need more features or just starting out, the 'Embroidery Studio Plus' level has all the Tools, Quality & Power you need to achieve impressive results.

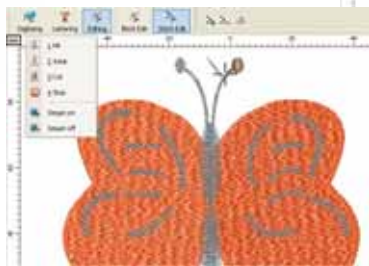

## Stitch Edit

Edit even the smallest detail.  
Change machine codes for existing stitch files.

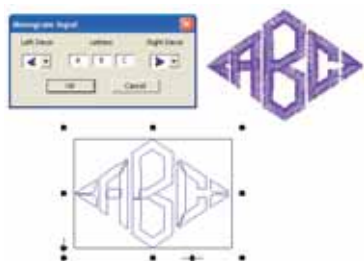

## Sequin

Be creative with digitizing. Sequin is available in standard digitizing tools such as normal fill and running stitch, but also as manually inputted sequin.

## Monogram Input

Take advantage of the high quality Monogram fonts.

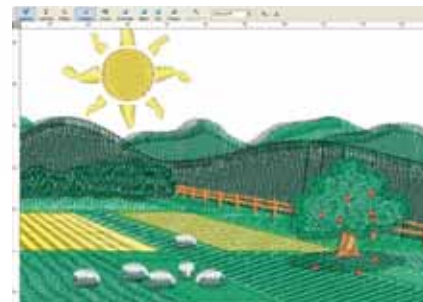

## Editing

Everything digitized can be easily edited and changed.

## Standard Digitizing

Use the Normal Fill, Column, Satin line, Manual Stitches etc. digitizing tools to create controlled, detailed designs.

## 100 Fonts Easy Lettering

100 high quality fonts & 30 Lettering templates  
More fonts & frames to help you produce quality lettering effortlessly.
